

Transportation Workshops to Gather Public Input on Blanco County Needs

What aspects of the state transportation system most need to be improved in Blanco County?

That's the question the Capital Area Council of Governments (CAPCOG) and the Texas Department of Transportation (TxDOT) hope you will help answer at a public input open house in your area. All residents and commuters are invited to drop by to learn about TxDOT's plans for transportation projects in Blanco County and to provide feedback on new and unaddressed transportation needs.

Both open houses are come-and-go, from 4:30 PM to 6:30 PM.
Please stop by and help inform TxDOT's plans!

City of Blanco
